D.O. No. 216/2/1/2016-CA.IV

Dated 7<sup>th</sup> April, 2017

**Subject: Promotion of digital transactions**

**Dear Secretary,**

You are aware that Government have accorded highest priority to the promotion of digital payments. The Union Budget has stipulated a target of 2,500 crore digital payment transactions in FY 2017-18 through different digital platforms such as UPI (including BHIM), USSD, IMPS, Aadhaar Pay and Debit Cards.

2. The target for 2017-18 is a significant jump from the existing volume of digital transactions reported in the economy and hence requires earnest efforts from all concerned to promote digital transactions both in the Government and private sectors.

3. You may like to examine the possibility of increasing the digital financial transactions in your Department and in other institutions and PSUs associated with your Department. You may ensure that all such touch points, where there is citizens interface with these units, have facilities for payments in all available digital platforms.

4. You may also like to nominate an officer, not below the rank of Joint Secretary as nodal officer to spearhead the drive in your Ministry/Department.

5. Since M/o Electronics and Information Technology (MeitY) has been assigned the responsibility of promoting digital payments, the efforts may be co-ordinated closely with Secretary, MeitY.

With regards,

Yours sincerely,

Dr. (Ms.) Soumya Swaminathan  
Secretary,  
Deptt. of Health Research and DG, ICMR  
New Delhi
