D.O.No.TS/LS/PA/2010

13th February 2010

Dear *Narayanasamyji,*

For quite sometime, I have been noticing that various circulars including general circulars issued by the Central Ministries concerning the various developmental activities like Rural Development, Environment, Rural Health, Human Resource Development, Micro, Small and Medium Enterprises, Tribals, Minority Affairs, OBCs and Economic Affairs, go unnoticed by the MPs who can suitably initiate action for the welfare of the man and material in their constituencies.

I would very much like to have such informative circulars so that the relevant information is available with the MPs who can initiate action from the grass root to the highest level at the Central Government level.

I shall feel much obliged if some suitable arrangements are made to inform the concerned quarters so that the undersigned get regularly the required circulars for useful information and necessary action.

With *warm regards,*

Yours sincerely,

(Takam Sanjoy)
