Subject: Plea to overturn the ban on Foreigners from accessing surrogacy in India regarding.

Sir,

I am directed to refer letter from Mr. P.N Janardhan, INSTAR on the subject cited above and to inform you that the matter regarding the foreign nationals commissioning surrogacy in India has been examined in consultation with various stakeholders and after consideration of all the issues involved in the matter, particularly those relating to the rights/interests of the children to be born out of surrogacy and the Indian surrogate mothers, in order to prevent exploitation of them, and, also with a view to discouraging commercial surrogacy in the country, the Government had taken a conscious decision not to allow foreign nationals including OCI Card holders to avail of surrogacy services in India. This decision of the Government has been conveyed to all States/Union Territories for strict implementation.

This issue with the approval of Secretary (DHR).

Yours faithfully,

(S. N Sharma)
