**INVITATION FOR NOMINATIONS**

**SUN PHARMA  
SCIENCE FOUNDATION**

## HELP US TO DISCOVER BRILLIANCE AND YOUNG TALENT IN MEDICAL AND PHARMACEUTICAL SCIENCES

We invite Heads of Research Institutions, Universities, Medical and Pharmaceutical Colleges of India to nominate Young Scientists for the "Sun Pharma Science Scholar Awards-2016".

### ▲ Objective

These awards are meant to support the brilliant and upcoming new generation of scientists and researchers of India with an aim to provide further impetus to research activity in the country and to stimulate their interest in research careers in the fields of Medical and Pharmaceutical Sciences.

### ▲ Eligibility

1. Only Indian nationals working in India are eligible for these awards.
2. Age should be less than 30 years as on November 15, 2016.
3. Should have completed at least 1st year of MD or PhD in Biomedical or Pharmaceutical Sciences. Applicant who have already completed their MD or PhD are not eligible for the Award.
4. Should have completed a Research Project
5. The Award is open to all disciplines related to Biomedical and Pharmaceutical sciences.
6. Should be willing to present his/her research work in front of knowledgeable assessors.

### ▲ How to apply

The applicant should send the following documents in **six bounded sets** :

1. Detailed CV with photograph
2. Copy of their research work under the following headings :

- Title
- Introduction
- Objectives
- Material and Methods
- Results
- Statistical Analysis
- Discussion
- Impact of the research in the advancement of knowledge or benefit to mankind
- Literature references

3. A letter from the supervisor certifying that the research work under reference has actually been done by the applicant, and also a citation about his/her research work.
4. A forwarding letter from the Head of Department or Head of Institution giving justification for nominating the applicant.
5. A voluntary declaration from the applicant that they would work in the public or private funded academic/research based organizations for a minimum period of two years after completion of his/her studies.
6. A clear indication of the category of the award (please mention whether the nomination is for Biomedical Sciences or Pharmaceutical Sciences category).
7. A letter stating that the project submitted for Sun Pharma Science Scholar Awards-2016 has received "Ethical Clearance" from the concerned authorities (please attach certificate of ethical clearance, if any).
8. A statement duly signed by the nominee and the supervisor/co-authors that academically or financially the thesis submitted for Sun Pharma

Science Scholar Awards-2016 has "no-conflict of interest" with the supervisor or co-authors.

- b. Year
- c. Achievements

#### 5. Scholarships

- a. Name of the scholarship, if any, already received by the applicant
- b. Year
- c. Achievements

#### 6. Proof of age

#### ▲ Method of short listing

The short listing will be done based on predetermined criteria of equal weightage and the quality of the research work. There will be two assessors each in the Biomedical and Pharmaceutical Sciences, who will evaluate the nominations independently and the average score of each will be taken into consideration. The first five candidates will be short listed in each group.

#### ▲ Assessment

The short listed applicants five each from Biomedical and Pharmaceutical Sciences will be invited by the Foundation to present their research work to a group of knowledgeable assessors. The applicants should be prepared to answer the questions, which may arise after the presentations. Besides the assessors, the other audience will include students, researchers and academicians.

#### ▲ Assessors

There will be at least three assessors each in Biomedical and Pharmaceutical Sciences. The assessment will be based purely on voting by the assessors. In case of tie, the award will be jointly shared between two applicants.

#### ▲ Result

Decision of the committee of the assessors will be final and cannot be challenged. The results will be conveyed either at the end of the session or by post, separately.

#### ▲ Name of the Award

The selected candidates will be called as Sun Pharma Science Scholars'. A certificate to this effect will be presented during the award ceremony.
