OFFICE MEMORANDUM

Subject: On-boarding of DHR/ICMR on the PM GatiShakti NMP portal

The undersigned is directed to say that the PM GatiShakti is a digital platform to bring several Ministries including Railways and Roadways together for integrated planning and coordinated implementation of infrastructure connectivity projects. The geospatial mapping and tagging in the portal help in increasing convergence during planning and implementation for different departments. Health and social sectors are also getting incorporated now in the PM GatiShakti National Master Plan (NMP) portal.

2. The issue of PM GatiShakti NMP portal was discussed in the SMT meeting in ICMR on 05.07.2023 where BISAG-N and DPIIT made presentations regarding the portal. Minutes of the meeting are enclosed. In the meeting:

- (i) All the directors were requested to suggest infrastructure related information from other departments that they deem critical for planning and implementing ICMR activities.
- (ii) It was decided that ICMR would also identify and share list of its infrastructure related to the institutes, VRDL, MRHRU/MRU, Field Units, BSL-3 and BLS-4 laboratories, One-Health laboratory, Sequencing facilities etc. These are to be uploaded in the digital platform for the benefit of other departments.

3. In connection with the above, it is stated that with the approval of Secretary (DHR), a Committee for coordinating PM GatiShakti NMP portal related matters has been constituted on 16.06.2023 (copy enclosed).

4. In view of the above, it is stated that DHR is taking necessary action for compiling and uploading requisite data in respect of VRDLs, MRUs and MRHRUs. For the remaining points mentioned at para 2 (i) and (ii), the undersigned is directed to say that ICMR may take further necessary action.

5. This issues with the approval of Joint Secretary (Admin), DHR.

Deliberation on Geospatial platform for PM-GatiShakti

The first phase of SMT was dedicated to an interactive session with team of scientists from Bhaskaracharya Institute for Space Applications and Geoinformatics (BISAG), Gandhi Nagar. They explained to participants about how the PM-GatiShakti model of integrative platform works. PM Gati Shakti is a digital platform to bring several Ministries including Railways and Roadways together for integrated planning and coordinated implementation of infrastructure connectivity projects. The geospatial mapping and tagging in the portal help in increasing convergence during planning and implementation for different departments. Health and social sectors are also getting incorporated now.

DG-ICMR appreciated the digital platform of integration and acknowledged the tremendous potential it has for planning and implementation of health research.

All the directors were requested to suggest infrastructure related information from other departments that they deem critical for planning and implementing ICMR activities.

ICMR would also identify and share list of its infrastructure related to the institutes, VRDL, MRHRU/MRU, Field Units, BSL-3 and BLS-4 laboratories, One-Health laboratory, Sequencing facilities etc. These are to be uploaded in the digital platform for the benefit other departments.

Responding to a query of Dr.MMurhekar, DG-ICMR told that presently ICMR has access to the portal through one log in ID; the number of which may be increased later. Directors also appreciated the need for such a platform and Dr.A Kumar mentioned that it might be very helpful for designing interventions for one-health.

DG-ICMR thanked the BISAG team for their deliberation and the first phase of SMT was over with this.

The next phase of the SMT was attended only by the SMT members and Directors of ICMR institutes.

Discussion on Expenditure

- Quarterly expenditure has been suboptimal this year. All directors were requested to expedite intramural fund utilisation.
- For Extramural small grants, project selection process is underway. Waiting for completion of all Project Selection Committee (PSC) meetings to complete and then start funding, would delay release of grant. Hence it was decided to start funding in phased manner based on scores available from PSC meetings which have already been completed.
- All sections and institutes need to review and expedite fund release.

Discussion on recruitment

- DG-ICMR appreciated the efforts of all concerned, that several vacancies could filled up, after delay for several years.
- He also suggested that age relaxation must follow DoPT rules.

Discussion on projects awaiting decision for funding:

There are several project proposals submitted against call released in 2021, for which the decision on funding is awaited.

As proposed in earlier SMT meetings, all divisions were requested to present the rationale for or against funding each such project in brief. NCD (18), BMI(5) and CSTU(1) divisions presented a few of such proposals.
