No.P-11(30)/2016-Pers.

Dated, the 8th January, 2021.

To

The Directors/Directors-in-charge
Permanent Institutes/Centres of ICMR

Subject: Issue of NOC/permission to apply for outside post – reg.

Sir/Madam

It has been observed by the Competent Authority of ICMR that in spite of repeated orders, Directors/Directors-in-Charge of the Institutes are forwarding the applications of "Scientists" requesting for NOC/permission to apply for post outside the Council without his/her recommendation and also "Scientists" are applying without obtaining prior approval of Competent Authority, ICMR. This practice of applying first (on-line or regular) and then seeking permission is not correct. The power to grant NOC or forwarding of applications outside or within the Council vests with Director General, ICMR.

Competent Authority of ICMR has taken a serious view in this regard, and it is hereby again advised that the request of "Scientists" for NOC/permission to apply for the post outside or within the Council may be forwarded to ICMR Hqrs., in future with due recommendations indicating the following:-

- (1) How the office work will not suffer ? and
- (2) Who will substitute for him/her, if selected, as this post cannot be filled up during lien period of the relieved Scientist.

Yours faithfully,

(Jagdish Rajesh)
Asstt. Director General(A)
