Sir / Madam,

MTNL is a Public Sector Enterprise providing Telecom Services in Delhi & Mumbai Metro Cities. Besides vast communication infrastructure, MTNL has significant real estate assets in the form of land / buildings / residential apartments. Owing to advancement of technology and reduction of manpower over the period of time, MTNL is offering ready-to-move built up office space & residential apartments / staff quarters situated at prime location in Delhi / Noida & Mumbai. To put these assets for gainful utilization, MTNL solicits offers from all departments of central & state governments, CPSEs and State PSEs for outright sale/ rent / lease on as-is where-is basis.

2.0 The list of the identified office space & residential apartments / staff quarters are available at www.mtnldelhi.in/lbpm.pdf and <http://mtnlmumbai.in/#lease-saleof-spaces>. These spaces are suitable for establishing offices/banks. Most of these buildings are situated at prime locations of the city with good connectivity. They are also equipped with ample open space for parking. Similarly, residential apartments are also situated in well-connected and on prime locations having all required facilities.

3.0. Your organization may be in need of some business space as well as residential quarters for employees in Delhi / Noida and Mumbai.
