**OFFICE MEMORANDUM**

**Subject: Knowledge/ Information Systems in Ministries/Departments of Government of India – reg.**

Ministries/Departments issue instructions, including orders, notifications, guidelines etc., on various subject matters falling under their domain from time to time. Original instructions issued by them are also amended/updated, as per requirement. It has been observed that often the original instructions and subsequent amendments/updatons are not available at one place and a clear understanding of the subject matter by internal users as well as external stakeholders is hampered due to the multiple OMs etc. that have to be referred to. It has, therefore, been felt that efforts may be made to organize the instructions issued by Ministries/Departments in an easily comprehensible and accessible manner.

2. In this regard, some Ministries/Departments/Organizations of Government of India are following the system of Master Circulars. These Master Circulars provide all current operative instructions on a particular subject at one place. Some of the good examples are Master Circulars published by Reserve Bank of India (RBI), Securities and Exchange Board of India (SEBI) etc. on their websites.

3. Department of Administrative Reforms and Public Grievances has undertaken a study of Master Circulars being issued by various organizations like RBI, SEBI and some Ministries/Departments and has also studied good practices being followed by them in this regard. A summary of findings of the study is at **Annexure**.

4. In order to improve the existing Knowledge/Information Systems in Government, it has been decided that:-

- (i) Ministries/Departments may review the instructions issued by them on each subject from time to time and consolidate the instructions on a given subject into a self-contained single document in the form of Master Circular. References of source instructions and amendments thereto may be listed and hyperlinked at the end of Master Circular so as to facilitate a user to see changes/updatons introduced over time.

AK

- (ii) Whenever new instructions/orders are issued or modification/amendment is carried out in any existing instructions on a subject the relevant Master Circular may be updated on the above lines. Such updated Master Circular shall supercede the previous Master Circular on the subject.
- (iii) Master Circulars may be published on the website with well thought out content design and positioned prominently on the website within the broad framework of Guidelines for India Government Websites.

5. All Ministries/Departments are requested to take appropriate action on the above lines in a time bound manner. Ministries/Departments may consider setting up a dedicated Cell for adoption of system of Master Circulars and for organizing, maintaining and updating information on their websites on regular basis. The progress of implementation of the above measures may be reviewed by Secretary of the Ministry/Department regularly in Senior Officers Meetings.

6. Department of Administrative Reforms and Public Grievances would organize a Workshop on introduction of system of Master Circulars shortly. Schedule of the proposed Workshop will be shared in due course.

Secretary to the Government of India
