D.O. No. WW-16/5/2021-WW (96705)

Dear Secretary,

As you are aware, 'the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013' (hereinafter referred to as the SH Act) has been notified on 9th December 2013 to provide a safe and secure environment to women at the workplace.

2. The Act upholds women's fundamental right to equality as guaranteed under Articles 14 and 15 of the Indian Constitution, right to live with dignity under Article 21 and right to practice any profession or to carry on any occupation, trade or business which includes right to a safe and secure working environment free from all forms of violence and harassment, as provided under Article 19 (1) (g) of the Constitution of India.
3. With improved access to education, skilling and employment opportunities, millions of Indian women are entering the country's workforce. It is crucial that as a country we provide all women with safe and secure work environment. It is the responsibility of every employer, whether in public or private and in organized or un-organized sector to ensure compliance of the provisions of the SH Act. The employers are also mandated to conduct sensitisation workshops for their employees periodically to make them aware about the provisions of the Act and towards the need for upholding the dignity of women and end gender stereotypes so as to encourage more and more women to participate in economic activities. This will contribute to realisation of gender equality and result in inclusive growth for the benefit of individuals, the family and nation as a whole.
4. You may also be aware that 25th November is observed across the globe as the International Day for the Elimination of Violence against Women. Further, 10th December is observed every year as International Human Rights Day. The 16 days period between 25th November and 10th December is observed by various institutions, civil society organizations including the United Nations for raising awareness about elimination of all forms of violence and discrimination against women so as to ensure safety, security and holistic empowerment of women and to ensure that the basic human rights of women and girls are respected by all.
