No. Vien/Amb/2021/027

January 18, 2021

Dear Joint Secretary,
We have come to know only informally from within lower levels in UNIDO in Vienna, that a proposal from our Ministry of MSME seeking technical assistance for its Programme for Resource Efficiency and Sustainable Production has been sent by Joint Secretary Atesh Singh in a letter dated 16 December, 2020 addressed to Director General Li Yong.

2. The Embassy of India, Vienna, is the accredited Permanent Mission to UNIDO. We are accordingly tasked with regular contact with the organization and its senior management on issues of interest for India. Other Member States similarly interact with UNIDO on substantive issues through their Missions in Vienna. It is our experience that organisations such as UNIDO are likely to take issues of our interest seriously when regular follow up and monitoring is conducted by the accredited Mission.

3. I would therefore urge that proposals such as the one mentioned above dealing with UNIDO, be coursed through this Mission, with sufficient background information so that we are able to pursue them energetically with the organization. This is true even when a proposal has been discussed with UNIDO's field office in New Delhi.

4. As a nodal Department for UNIDO matters, I would urge that DPIIT bring this matter to the attention of all concerned.

With regards,

Yours sincerely

(Jaideep Mazumdar)
