In order to assess the quantum of government business for the forthcoming Budget Session of Parliament, and to schedule the business appropriately, information on the business in respect of your Ministry/Department is required. I shall, therefore, be grateful if the requisite information regarding the Bills and other items of government business likely to be proposed by your Ministry/Department during the next Session of Parliament is forwarded to this Ministry in the enclosed proforma (**Annex-I**). I am also enclosing a list of Bills pending in the two Houses of Parliament on the conclusion of Monsoon Session, 2020 for your perusal (**Annex - II**).

2. While furnishing the information, the following points may be kept in mind:-

- (i) It may be ensured that the title of a Bill is given both in English and Hindi, without the use of abbreviations, and the purpose of each Bill is indicated clearly.
- (ii) In the case of Bills to be taken up for consideration, the desired scheduling, if any, of the Bills in Lok Sabha and Rajya Sabha may be indicated. While the actual scheduling of the Bills in Lok Sabha and Rajya Sabha would depend on the overall priority given to different legislative and non-legislative business, this Ministry would try to keep your preference in mind while planning the schedule of government business.
- (iii) Since the Ministries/Departments are interacting with Standing Committees, you would be in a position to identify the Bills pending with the Standing Committees which are likely to be ready for consideration and passage in the next session. You may like to apprise this Ministry of the same.
- (iv) You may also like to indicate whether there is any policy paper or policy - related discussion which your Ministry would like to take up at the beginning of Budget Session, 2021.
