No. 1909

Date: 09/11/22

Dear Sir,

**Subject:** Nominations of Health Professionals for Executive Program in Public Health Policy, Leadership & Management offered by School of Public Health (SPH), at All India Institute of Medical Sciences (AIIMS) Jodhpur for January 2023 Session.

Greetings from AIIMS Jodhpur!

AIIMS Jodhpur was established in the year 2012, as an Institute of National Importance (INI) under Ministry of Health & Family Welfare (MOHFW) with an aim of correcting regional imbalances in quality tertiary level healthcare in the country. School of Public Health (SPH) at AIIMS Jodhpur has been involved in creating a critical mass of skilled public health force through its MPH program since January 2017, which is a full-time program.

In order to engage and build the capacity of mid-career and senior level working professionals, a 6-month Executive Program in Public Health Policy, Leadership and Management was started by the Institute in July 2022, which witnessed an enthusiastic response from many Institutes and Organizations of National Importance. The program provides a unique opportunity for in-service candidates to develop an understanding of policymaking process, functioning of different sectors and stakeholders in the policy process and acquire knowledge for effectively managing health programs and projects. The participation in the program will be including two weeks contact session (one week in the beginning and one week at the end) and continuous online web based interactions.

Please take this opportunity to nominate professionals (as per the eligibility criteria mentioned in the program brochure) from your Department/Organization/Unit to pursue this course at AIIMS Jodhpur. The shortlisted sponsored candidates need to appear in a personal/web-based interview for the final selection.

The details of the program are mentioned in brochure enclosed herewith. The completed application along with the annexures should be sent on [executive.sph.aiimsj@gmail.com](mailto:executive.sph.aiimsj@gmail.com). The last date for receiving applications is December 15<sup>th</sup>, 2022, 05:00 PM. For any specific information, Dr. Pankaj Bhardwaj, Academic Head, School of Public Health, email: [pankajbhardwajdr@gmail.com](mailto:pankajbhardwajdr@gmail.com) can be contacted.

We shall be happy to provide any further information. Your valued cooperation and contribution shall go a long way in building a competent public health force in India.

Thanking You,

**D.G. ICMR OFFICE**
