Subject: Home Owner's Guide for Earthquake and Cyclone Safety-2019: Distribution of copies thereof – reg

Sir/ Madam

JS(G/N)

Major parts of the country are prone to earthquakes, floods and cyclones, therefore, people need to be made aware of simple, easy-to-understand tips for making their houses resilient to these hazards. The most important of such measures is adopting safe building construction practices. To equip people with the right knowledge and right set of questions before building/buying a house, NDMA has prepared this user-friendly Home Owner's Guide, which covers all kinds of construction across different geographies.

2. I am directed to forward herewith two copies of the Home Owner's Guide for Earthquake and Cyclone Safety 2019 for your information and further action. Soft copy of the Guide can be downloaded from NDMA website www.ndma.gov.in under the link NDMA publications: NDMA Guidelines/ Reports.

3. This Guide may be got translated into vernacular language for greater awareness creation and distributed.

Subject: Guidelines on Temporary Shelters for Disaster-Affected Families 2019; distribution of copies thereof – reg

Sir/ Madam

JS (GN) [Signature]

One of the major tasks after a disaster is to swiftly plan and provide adequate and efficient temporary shelters to affected families. These temporary shelters should be cost-effective, sturdy and take into account the needs of the people. To help States/other stakeholders address these needs, NDMA has prepared National Guidelines on Temporary Shelters for Disaster-Affected Families-2019. These guidelines prioritise social inclusion; promote use of local materials and looks at involving local communities in the process.

2. I am further directed to forward herewith two copies of the Guidelines on Temporary Shelters for Disaster-Affected Families 2019 for your information and further action. Soft copy of the Guidelines can be downloaded from NDMA website www.ndma.gov.in under the link NDMA publications: NDMA Guidelines/ Reports.
3. I am further directed to request you to direct all concerned to implement the guidelines.

Subject: Request for providing articles/ write-ups for 'Aapda Samvaad'.

Sir,

NDMA publishes a digital newsletter 'Aapda Samvaad'. The Authority also has an official blog www.ndmablog.in. These initiatives are meant to generate greater awareness among the masses on issues pertinent to Disaster Risk Reduction (DRR).

2. This newsletter highlights best practices, success stories, initiatives or interventions/ DRR practices that directly or indirectly benefit communities. It also covers important events and initiatives of NDMA. Knowledge exchange and sharing of best practices plays a major role in reducing risks and empowering vulnerable communities.

3. In order to further boost our awareness generation activities, we request you to share with us your initiatives in the form of audio-visual, write-ups, etc.

4. In the field of Disaster Risk Reduction, the articles may highlight as to how the immediate community has benefitted and its resilience enhanced. It would be great if some first-person voices are included in the article. Please also share high-resolution photographs to go with your article. We want to encourage good practices in community based disaster risk reduction.

You may write to us at aapdasamvaad@gmail.com.

A/ As Shri D.R. Mysora, DS has been nominated as the nodal officer of Disaster mgmt. in DHR
 Yours Sincerely we may forward the request to him
