

## **ICMR/NIAID/BMGF Clinical Research Fellowship Programme**

The Indian Council of Medical Research (ICMR)/Department of Health Research(DHR) and the National Institute of Allergy and Infectious Diseases (NIAID)/ National Institutes of Health (NIH), in collaboration with the Bill & Melinda Gates Foundation (BMGF), have teamed up to provide a opportunity through Clinical Research fellowship. This fellowship will enable clinicians from India and the United States of America (USA) to conduct research & hands-on experience in Indian and US labs that will advance discovery to improve clinical practice and benefit public health in both countries.
